INFORMATION DISCLOSURE STATEMENT WITH CERTIFICATE OF MAILING

Dear Sir:

- 1) Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98 applicants enclose a Second Form PTO-1449, copies and English abstracts of references AM to AQ cited thereon, and a copy and an English translation of a Japanese Office Action issued on June 1, 2007 in a counterpart Japanese application.
- 2) This Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits, according to the available status information. Thus, in accordance with 37 C.F.R. 1.97(b)(3), no fee is due.
- 3) References AG to AL are in English. References AM to AQ are accompanied by English Abstracts. Reference AQ corresponds to

AK, from which the relevance can be determined in English.
Therefore no further discussion of the references is necessary.

- 4) Moreover, the enclosed English translation of the Japanese Office Action shows why the Japanese Examiner found references AM and AO to AQ to be relevant to the counterpart Japanese patent application. The Japanese Examiner's statements are not ratified as accurate or adopted by applicant, but they are submitted for the US Examiner's consideration as to the possible relevance of the references.
- 5) The Examiner is requested to consider all references of record, return an initialed copy of the enclosed Form PTO-1449, and ensure that all references of record are printed on any patent issuing from this application.

Respectfully submitted,
Werner BERNZEN et al.
Applicant
